FINISHES

Polka Powder Coat

Polka Tables are functionally fabricated for life outdoors in rust-proof 304 stainless steel solid rod and laser cut stainless steel plate.

Select from more than 20 powder coat colours (UV-stable pure polyester with a luxurious satin ferro grain finish).

Care for your powder coated Polka tables by wiping when necessary with a damp cloth.

For tougher spills, rub with a damp cloth and a solution of light detergent (like Sunlight liquid) with water.

Avoid scraping sharp objects on your powder coated components.
